

TITLE: The wrong side of the galaxy

AUTHOR: Jamie Thomson

INTEREST AGE: 8-12 Years

BOOKBAND: Dark Blue

OUR REVIEW: Launches straight into the action & there's no let up from then on, a very entertaining, inventive & amusingly quirky space adventure.

Strong start to new series

Write a
diary of a
space
traveller.

Write a
report
about the
planets.

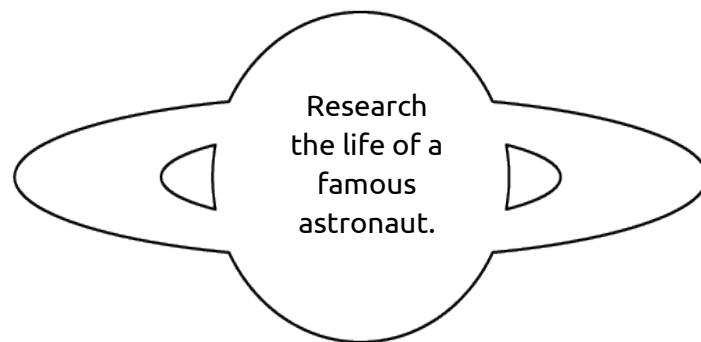

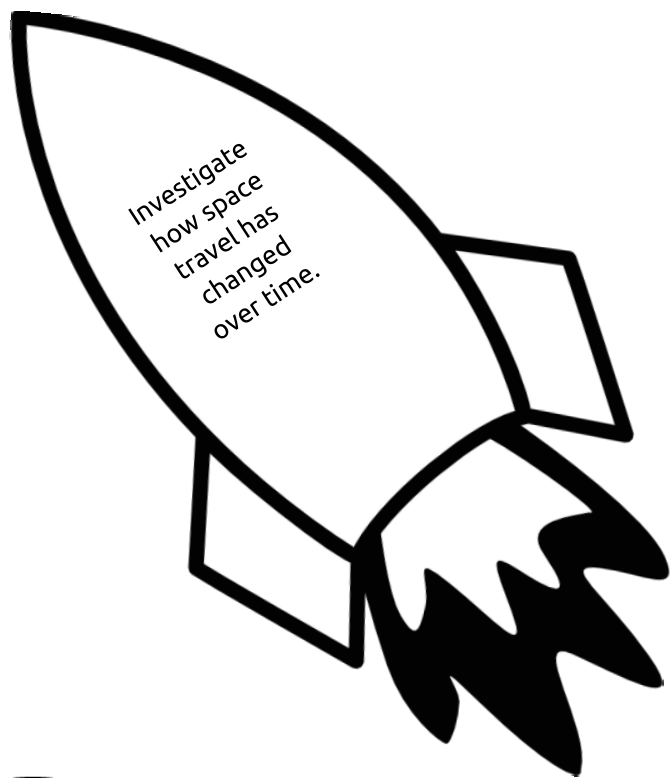

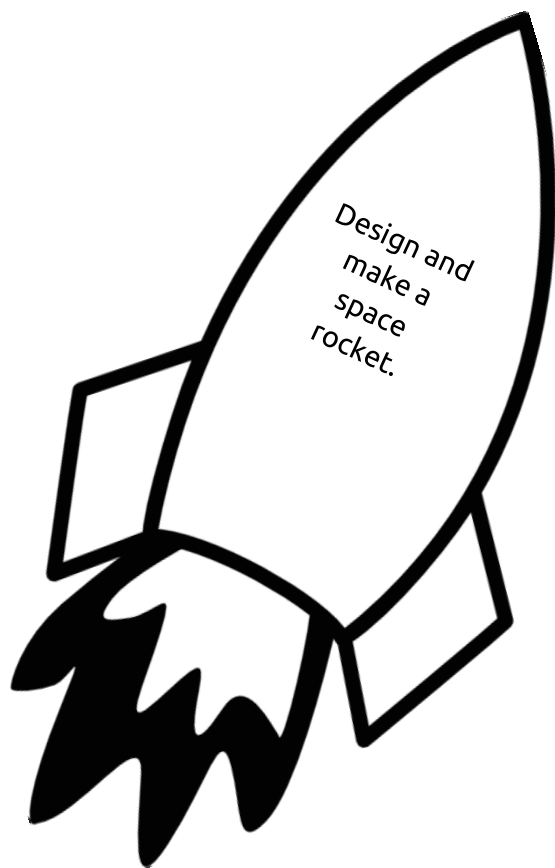

Write
instructions
explaining
how to
make a
rocket.

Investigate
how the
Sun, moon
and
planets are
related.
(Science)

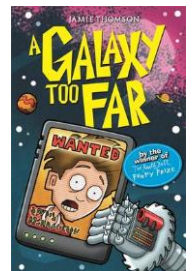

Find out the
measurements
of the planets
and order them
by size.

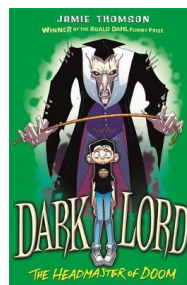

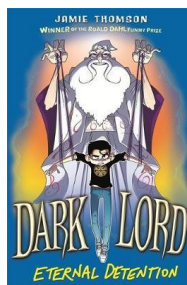

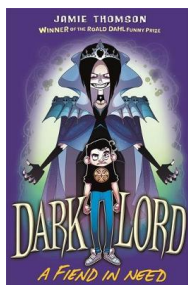

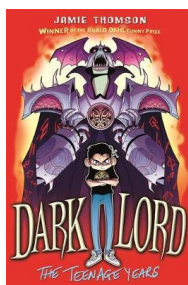

Peters

The sequel to The wrong side of the galaxy is A galaxy too far.
