

TITLE: Winnie-the-Pooh

AUTHOR: A.A. Milne

INTEREST AGE: 6-10 Years

BOOKBAND: Grey

OUR REVIEW: Pleasing to see original illustrations and layout is good. A perennial favourite, so useful for stock revision.

ACTIVITIES:

English

- Research the life of A.A. Milne and write a biography.
- Write character descriptions of the animals in the story.
- Describe 100 Acre Wood as a story setting.
- Write a newspaper article celebrating 90 years of Winnie the Pooh.
- Write poems/acrostics based on the characters' names.
- Write a letter to one of the characters.
- Write a 'wanted' poster for one of the characters.
- Why is Winnie the Pooh still popular after 90 years? Look at and compare successful stories. What makes a good book?

Maths

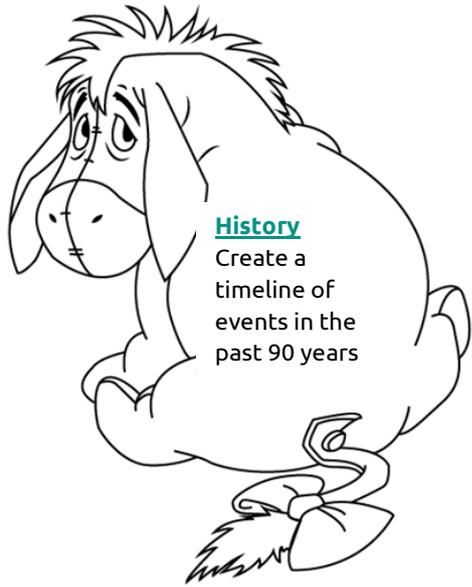

- Conduct a survey to find out people's favourite Winnie-the-Pooh characters. Use the results to make charts and graphs.
- Winnie-the-Pooh is 90 years old. Find number facts based on the number 90.

Science

- Find out about honey production.
- Investigate woodland habitats.
- Investigate paw prints and animal tracks.
- Find out about the characteristics of the animals in the story (owl, donkey, bear etc)

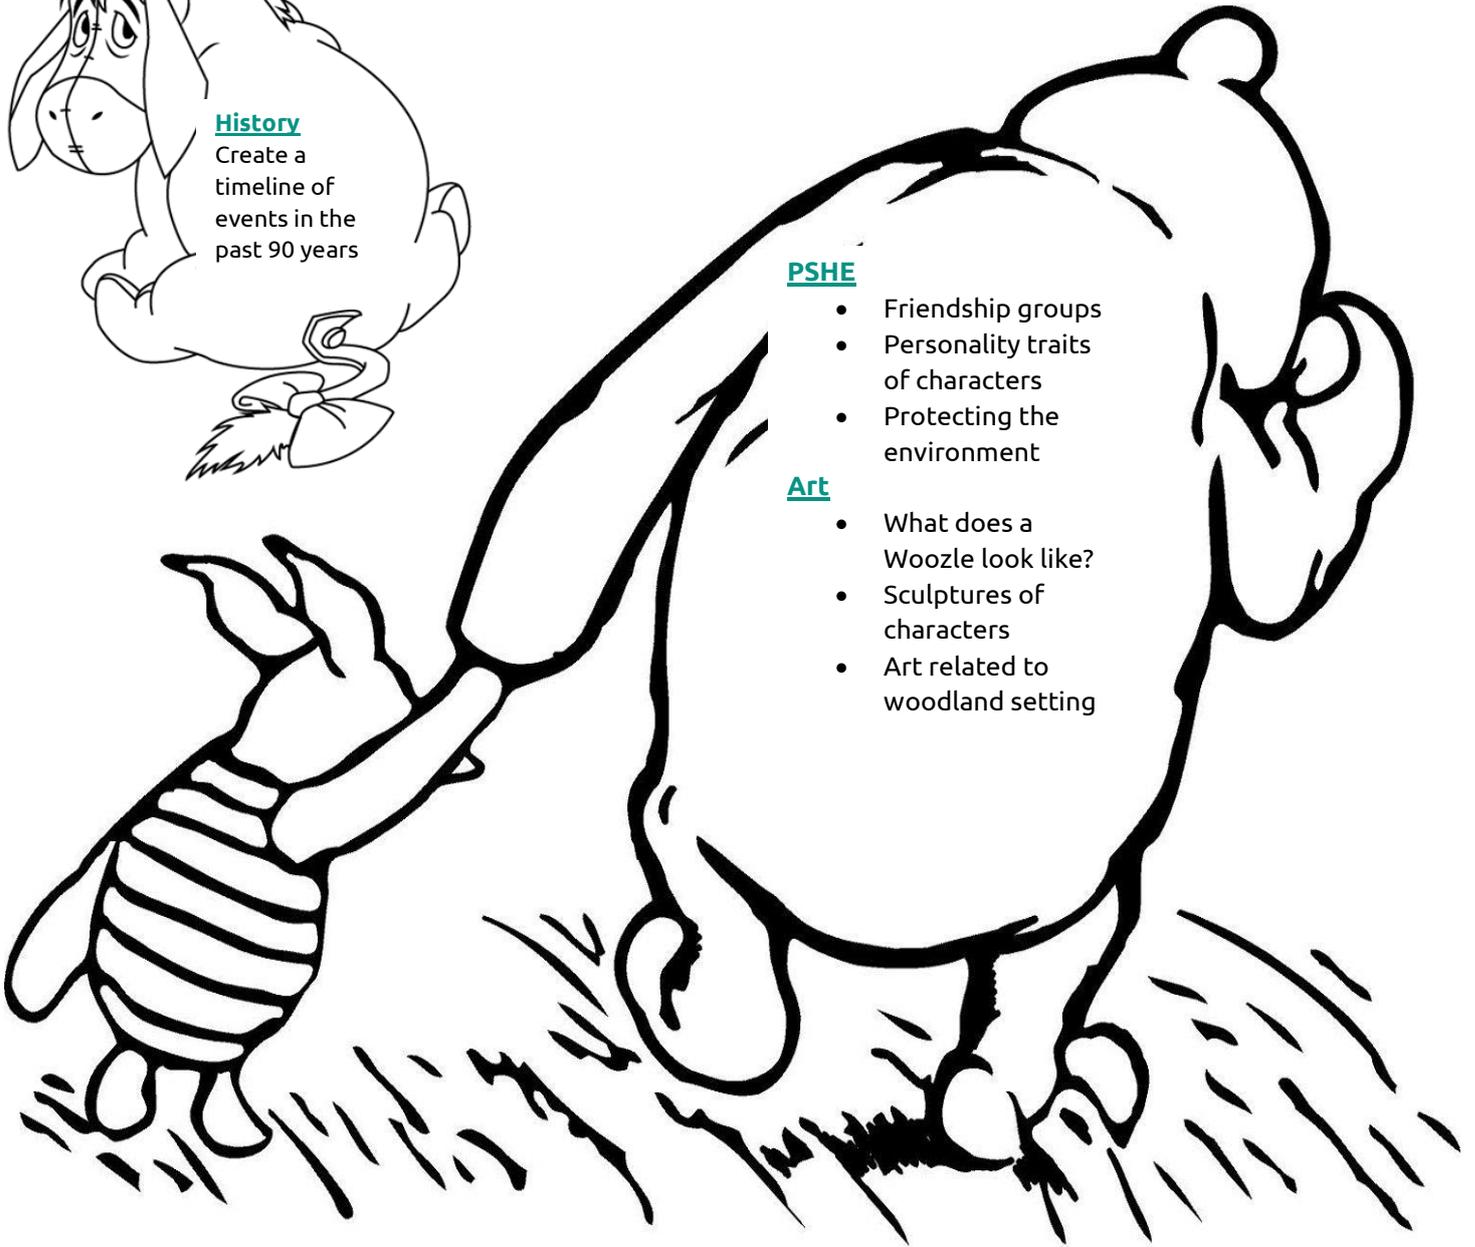

Design Technology

- Design and make a heffalump trap
- Plan a birthday party for Eeyore – design invitations, decorations, games, food (cooking).

History

Create a timeline of events in the past 90 years

PSHE

- Friendship groups
- Personality traits of characters
- Protecting the environment

Art

- What does a Woozle look like?
- Sculptures of characters
- Art related to woodland setting
